

2016 Coal Education Application Question & Answers

August 9, 2016

Q: Can the applications be postmarked August 12, 2016?

A: No, as stated in the application instructions applications received after August 12, 2016 will be accepted if they are postmarked **prior** to August 12, 2016.

August 9, 2016

Q: Will 8/15/16 be allowed for the grant due date?

A: No, the due date as stated in the application instructions will be due in the Department for Energy Development and Independence (DEDI) office not later than 4:30 PM Eastern Time on Friday, August 12, 2016.

August 8, 2016

Q: Regarding the budget, since the time period for our request will encompass 10 month or so from the beginning to the end, do we just split the budget period into about 3 month worth of activities even if the grant asks for reporting on a monthly basis?

A: You will put your budget all in one period (Period 1). You will be required to report on a monthly basis.

August 5, 2016

Q: Does the applicant get from 10-1-16 to 6-30-17 to spend all grant monies?

A: It is the Cabinet's intent to issue contracts for the timeframe 10/1/16 to 6/30/17, however that may not be the case in certain situations.

July 21, 2016

Q: Can we apply for the same amount that we have been funded in the past?

A: Organizations are encouraged to apply for the amount of funding that it will take to accomplish the project that is submitted in the application.

July 15, 2016

Q: As we start to look at what projects and budget plans we will need to make we noticed the announcement did not say the dollar amount we could apply for with this grant. Could you provide us that information so we could get started on our grant application.

A: Pursuant to KRS 132.020(5) a portion of the funding from the un-mined minerals tax collected each year shall be credited to the Department for Energy Development and Independence, Energy and Environment Cabinet (the Cabinet), for the purpose of public education of coal-related issues.
